The War is Still On

Some Facts and figures that have a bearing on the Victory Loan

America's debt at beginning of World War.....	\$ 968,000,000
By July 1, 1917.....	2,712,000,000
By July 1, 1918.....	11,985,000,000
By Feb. 1, 1919.....	23,250,000,000
By June 20, 1919 (estimated).....	33,000,000,000

Deducting \$8,841,657,000 thus far loaned to the Allies, we may expect a net final debt of \$25,000,000,000.

Peacetime interest charge per capita was 23 cents. It is now about \$8.50.

War expenses from July 1, 1918 to Feb. 1, 1919 were approximately \$12,500,000,000, the estimated total for the fiscal year ending June 30, 1919, being \$19,750,000,000.

Consider the following review of regular appropriations for the army and navy.

	Army	Navy
1900.....	\$ 80,430,204	\$ 48,099,969
1905.....	77,070,300	97,505,140

1917.....	267,536,530	313,300,555
1918.....	273,046,322	517,273,802
1919.....	824,708,521 (asked)	1,238,282,968

Middle Intervale

Reading of the deaths of the Gill children, etc., takes us back to the year 1870 to the summer term of school we taught there in Greenwood, known then as the Irish District. Here are the names of the Gill children that attended school then: Mary Gill, age 12 years; Bridget or Della Gill, age 10; John Gill, age 8; Timothy Gill, age 10; Maggie Gill, age 17. Now but a few of them are living, but we remember those kind-hearted people and the children in the Gill and Connolly family were the best of pupils.

We think Mary Gill, the oldest girl, is a dressmaker in Boston. There were 31 pupils then and well behaved children. A school of no manners speaks of a poor bringing up or a bad teacher.

Mr. G. R. Rich (the great trapper), children, went there as he lived there at that time. Their names were Bessie Rich, 7, and Payson Rich, 8 years. We remember their kindness to the teacher. "A kind heart is never lost." A good life speaks among her pupils. When we meet an old pupil, we know well a teacher's influence is lasting. We recently met a woman in Oxford, who was a scholar for 7 years ago and she was nearly 5 years old when she was nearly 5 years old, but she, Mrs. J. H. Glover, and a sister in South Paris.

We print tax bills or receipts for tax collector. Send order here. Prompt attention. F. W. Sanborn, Norway.

## ALBANY

## Talk on War

Corporal Herbert R. Bean, formerly of Albany, but now of Lewiston, son of H. I. Bean of Lewiston was here at the Corner and attended the Circle Friday evening and after the Circle was over, he spoke on his experiences in the war for the last two years overseas, and of being wounded and of his narrow escape from bleeding to death before he got to the hospital.

He was the only one out of the four young men who went to war with the Norway company that returned. The first man who passed away was Albert Pingree of North Albany. The second man was Corp. Eugene McAlister of Lynchville. He was killed in action last July. The third man to fall of pneumonia was Bernard Judkins.

To look at some of the papers, a stranger would naturally think that Albany did not send any soldiers to the late war as long as the mail in our town all comes direct either to Bethel or North Waterford and then delivered to different parties of the town by the different mail carriers.

The following men were drafted from our town: Herman Cummings, Guy Johnson, Forest Churchill, Ervin Morey, Elmer Saunders, Jos. Paine, the two Cobb brothers, and Guy Dexter Cummings, who passed away in the Lewiston hospital about the time he was drafted, making in all that Albany furnished 12 men for the war, and she furnished between 55 and 60 men for the Civil War.

In the Civil War there were 7 killed in battle, 3 badly wounded, 11 died of disease, 23 came back without being wounded. We now know of only 3 of the old soldiers that are now living and not one of them live in the town of Albany. Two live in the far west and one in Massachusetts, five in the State of Maine.

## Music Will Help You

To Harmonize  
Yourself with your condition  
Your work with your pleasure  
Your Family with your home.

MUSIC will help you to live your life so as to get the most  
out of it, to do your work so you can put the most into it, and it  
will help every member of your family as it helps you.

We have just passed through strenuous times. Music carried  
us over the rough places, kept our hearts up and our nerves steady.  
The whole nation worked with a will, worked together and  
accomplished its purpose to the rhythm of music. And the rhythm  
of music will never pass out of our lives. It will be waiting for  
us at the end of a hard day's task, it will bring us rest when rest  
is what we need. It will add to our gaiety when we want the  
brightest to sparkle. It will fill the empty chair when we are  
lonesome. It will bring us quiet contentment, rich enjoyment,  
solid comfort according to our desire and the need of the moment.

Yes, it will help every one of us over stony paths and along  
the broad highway. And it will help each member of our family,  
for it develops that community of interest, that bond of unity  
so valuable to a Family or to a Nation.

See that Music brings its blessings to You and Your Family.

## Strong for War! Stronger for Peace!

We sought not the War. It was forced upon us. When it came to us it was our war and we won it. Now we intend to have Peace, a peace which is based upon the eternal justice of righteous action, and we must be strong enough to see that such a peace, once secured, is maintained.

Velvet Joe

Velvet is a friendly tobacco in the truest sense, because, like friendship, it has been allowed to ripen naturally—nothing forced or unnatural.

There are "hurry up" ways with tobacco but only patient ageing (two years in wooden hogsheds) can bring out the mellowness that sets Velvet apart.

You know what mellowness is—now think of a good friend who is never harsh to you.

There you have the big thing about Velvet—mellow friendliness.

You and Velvet—begin your friendship today.
